

CUSTOMER EDUCATION PROGRAMME

5TH -10TH SEPTEMBER 2018

INSTRUMENTATION LIMITED

A Government of India Enterprise

Palakkad -678 623, Kerala

Instrumentation Ltd. is one of the leading public sector units incorporated in 1964 to cater the control and instrumentation needs in the core sector process industries. Instrumentation Ltd. established in 1974 is engaged in design, engineering, manufacturing, supply and after sales service for their range of valves, electrical actuators, pneumatic actuators and flow elements. It is also engaged in the design and supply of valves for nuclear application. From its inception it has supplied more than 4 lakhs numbers of valves to various industries in India, Singapore, Malaysia, Indonesia, Saudi Arabia, Bangladesh, Hungary, Ethiopia, Taiwan and the Gulf Region. It is the first control valve manufacturing unit in India to be certified for ISO 9001. Instrumentation Ltd. Palakkad has a dedicated team of trained design and manufacturing engineers. It has excellent facilities for manufacture and testing unmatched in India. The emphasis of the training programme is to bring the latest technologies available to our valued clients also to make our clients more knowledgeable to enable them to select the optimum product for their process requirement. We also value the feedback received from our client during this training session to sort out site problems and correct ourselves to ensure total satisfaction to our clients.

PROGRAMME:

05/09/2018

(Wednesday)	09:00 to 09:45	Registration
	10:00 to 10:20	Inaugural Address
	10:30 to 13:00	ILP Product Range & its applications
	14:00 to 16:00	Design & Constructional aspects of Control Valves.
	16:00 to 16:30	Shop Visit

06/09/2018

(Thursday)	09:00 to 10:00	Sizing & Selection of Control Valves
	10:00 to 11:30	Sizing, Selection and Constructional Aspects of Safety Valves
	11:30 to 13:00	Inspection Procedure of Control Valves
	14:00 to 16:30	Practical (Assembly & Calibration of Control Valves and Actuators including Smart Positioners).

07/09/2018

(Friday)	09:00 to 10:00	Manufacturing Technology of Valves
	10:00 to 11:30	Design & Constructional Aspects of Butterfly Valves
	11:30 to 13:00	Design, Construction and Sizing Aspects of Electrical Actuators
	14:00 to 16:30	Practical (Assembly and Testing of Butterfly Valves & Safety Valves)

08/09/2018

(Saturday)	09:00 to 10:00	Sizing, Selection and Constructional Aspects of PRDS
	10:00 to 11:30	Practical (Assembly of Electrical Actuators and Power Cylinders)
	11:30 to 13:00	Sizing, Selection and Constructional Aspects of Power Cylinders.

10/09/2018

(Monday)	09:30 to 11:30	Visit to Fluid Control Research Institute (FCRI)
	11:30 to 13:30	Field Problems/Discussions.
	14:30 to 15:30	Concluding Address.

FEE DETAILS

Participation Fees : Rs. 22000/- Per Participant.

Rs. 20000/- (In case three or more Participants from one Organisation)

GST @ 18% Extra.

Fee Payable in advance:-

- * Demand Draft/ Cheque in favour of "Instrumentation Limited, Palakkad" Payable at Palakkad.
- * Participation fee is non-refundable. However change in nomination(s) is accepted.
- * Programme is non-residential. Hotel address, Phone Numbers are indicated and Rooms may be booked directly.
- * Applications are accepted on FIRST COME FIRST basis and limited to maximum 5 persons per organisation.

For Netbanking : State Bank of India

A/c.No. : 5702869888

IFSC/NEFT : SBIN0070177
